ADAPT COMMUNITY NETWORK

IS BORN –

[ we change ]
Dear Friends and Supporters,

2017 was a year of positive change for our organization as we officially changed our name and brand from United Cerebral Palsy of New York City to ADAPT Community Network after 70 years of serving New York families with disabilities. The brand launch took place at a festive gala at the New York Hilton in March of 2017 with over 700 supporters, families, individuals, staff, media and industry leaders celebrating this significant milestone.

Our new brand signifies an era of greater inclusion and community impact. Throughout 2017, we built heightened awareness through events, launch of a new website, social media platforms, a partnership with PIX 11 Changemakers as well as an impressive outdoor billboard campaign in Times Square and the MTA subway and bus system. Our new brand brought new growth in staff and program service locations throughout the city to support increasing numbers of people living with disabilities.

The feedback we have received has been immensely exciting. We look forward to the next phase in our growth and are well positioned for new challenges to come. All of this would not be possible without the individual and corporate support provided by you. Our loyal donors, supporters and friends helped us every step of the way as we grew and adapted to the changing world around us. This report highlights a timeline of key areas of our tremendous impact throughout the year.

Thank you for your continued support as we change, grow, learn, create, live, and advocate for people with disabilities in our community.

Sincerely,

Edward R. Matthews
Chief Executive Officer
WE CHANGE

ADAPT COMMUNITY NETWORK IS BORN

In 2017, UCP of NYC changed its name to ADAPT Community Network at a historic gala, held at the NYC Hilton with over 700 staff, donors, friends and families celebrating this milestone. The event marked a major shift in the 70-year-old leading disability organization’s history for a new era of more inclusion and outreach.

WE GROW

NEW STATE-OF-THE-ART FACILITY OPENED IN BROOKLYN

On Sunday, June 25th, more than 6,000 athletes participated in the Achilles Hope & Possibility Race in Central Park. Over 150 of our individuals and supporters raced as part of TEAM ADAPT, led by our Team Captain FOX 5 News Anchor Steve Lacy.

WE ADVOCATE

ADAPT SPONSORED THE ANNUAL NYC DISABILITY PRIDE PARADE

ADAPT Community Network sponsored the NYC Disability Pride Parade. Hundreds of individuals, staff and advocates from ADAPT marched with other partner agencies in this important advocacy event, organized by the Mayor’s Office for Disability Services.

WE LEARN

ADAPT PRESCHOOLERS STEPPED UP AT GRADUATIONS CITY WIDE

Hundreds of preschoolers stepped up from our 13 preschools to attend kindergarten. As a leader in children’s education, ADAPT’s cutting edge programs helped an increasingly diverse student body of children with disabilities. A full spectrum of integrated vision services and therapies were expanded to Manhattan and Staten Island preschools. Visually impaired and blind students now learn alongside their sighted peers.

WE BUILD

WE DEVELOPED LIFE-ALTERING HOME MODIFICATIONS

Our Doorways to Independence program built life-altering home modifications from simple railings, ramps to multi-story lifts for families living with physical disabilities. Modification costs range from $5K - $25K compared to 148,000K per year at a nursing home, saving families thousands of dollars and enabling their loved ones to live at home.
WE BOND

FAMILY FUN DAY ATTRACTION MORE FAMILIES THAN EVER TO OUR BRONX HAUSMAN CAMPUS

The 7th annual Family Fun Day drew 1,100 families, staff and community partners to a day packed with activities from petting zoo, balloon artists, giant stilt walkers, a live DJ to kids in bounce houses. This community gathering has become ADAPT’s most popular family event.

WE GOLF

ADAPT HONORED MARK SENDERS AT 16TH ANNUAL GOLF TOURNAMENT

Over $200,000 was raised for ADAPT’s core programs and services for children and adults with disabilities. The event was hosted by Mr. G, four-time Emmy award winning meteorologist, PIX 11 News.

WE CREATE

ART PROGRAMS AT ADAPT EXPANDED WITH NEW CREATIVE OPTIONS OFFERED BY SPECIALISTS

Our Art Programs grew more robust with new options in digital art, cartooning, painting, creative writing, poetry and theater, delivered by expert Program Specialists. Program participants take classes and work on independent projects at city parks and museums, increasing their self-expression. Individuals’ art is showcased in galleries and art shows and within ADAPT’s programs.
