The Harry Gordon School is located in the Bronx.

The program consists of 3 floors. 15 classrooms made up of 12:1:2 one of those is bilingual Spanish, as well as integrated UPK classrooms and 8:1:2 classrooms.

The Harry Gordon School Program has an open door policy. Parents are welcome to visit anytime during the school day.

Breakfast and lunch are provided for all students.

There is a sensory room as well as a spacious playground.

We provide all related services in a push out/push in model throughout the school day. Related services include, OT, SP, PT and counseling services.

The school day runs from 8:15am to 2:00pm and 8:15am to 2:35pm for UPK students.

We are a 12 month school program.
ADAPT’s Philosophy

ADAPT’s commitment to Children’s Services includes comprehensive education for children and young adults. Our preschool, school age, and after school programs are specifically designed to engage and educate children with special needs. Our universal pre-kindergarten and integrated programs offer families a high-quality family friendly learning environment for children of all developmental levels. All classes are led by licensed and certified teachers and are staffed with certified teaching assistants. Adapt also offer after school programs, a summer day camp and educational resources libraries.
Our program utilizes *Creative Curriculum* for selecting our units of study every six weeks. Some of the units of study the children were busy learning about this year were: The Building study, Clothes study, Simple Machines, and Tree study. Also, we utilize and integrate the Department of Education’s Units of Study. Teachers work in collaboration with others in teams that meet weekly to discuss activities, projects, differentiate instruction and plan together to best support each child’s unique learning styles.

Students begin their school day at 8:30am, either dropped off by family member or by the school bus. Children participate in morning meeting, learning centers twice during the school day, music and movement, playroom/gym, lunch, large group activities, read alouds, and recall of the day.
The Pyramid Model is a conceptual framework of evidence-based practices for promoting young children’s healthy social and emotional development.

Supporting the Pyramid Model

- The model is supported at the foundation by an effective workforce.
- The foundation for all of the practices in the Pyramid Model are the **systems and policies** necessary to ensure a workforce able to adopt and sustain these evidence-based practices.

Tier 1: Universal Promotion

**Universal supports** for all children through nurturing and responsive relationships and high quality environments. At the universal level we include the practices needed to ensure the promotion of the social development of all children.

- High Quality Environments
  - Inclusive early care and education environments
  - Supportive home environments
- Nurturing and Responsive Relationships
  - Essential to healthy social development
  - Includes relationships with children, families and team members
The Harry Gordon school teaches the students about the 3 B’s. We incorporate this into all of our activities and learning throughout the day. We model for children what it means to be:

**Be kind, Be safe, Be helpful**
