# ADAPT's Philosophy

ADAPT's commitment to Children's Services includes comprehensive education for children and young adults. Our preschool, school age, and after school programs are specifically designed to engage and educate children with special needs. Our universal pre-kindergarten and integrated programs offer families a high-quality family friendly learning environment for children of all developmental levels. All classes are led by licensed and certified teachers and are staffed with certified teaching assistants. ADAPT also offers after school programs, a summer day camp and educational resources libraries.

## Pre K Units of Study/Creative Curriculum

Our programs utilize PreK units of Study for our students. Some units covered this year include All About Us, Plants and Insects, Water, Light, and Transportation. Teachers meet weekly in teams to collaborate and discuss activities and projects, differentiate instruction and plan together to best support each child's unique learning styles. In addition, we utilize *Creative Curriculum* for selecting our units of study.

## Student & Class Projects

## Working & Learning

Gross motor activity in  
our gym and playgrounds

## Sample Schedule/ Flow of the Day

Students are either dropped off by a family member or by the school bus. Upon arrival, they are greeted by our warm and caring staff and are asked to put away their belongings. Activities of the day include morning meeting, learning centers, music and movement, gym/outdoor play, lunch, large and small group activities, read alouds, and recall of the day.

# Pyramid Model

The Pyramid Model is a conceptual framework of evidence-based practices for promoting young children's healthy social and emotional development.

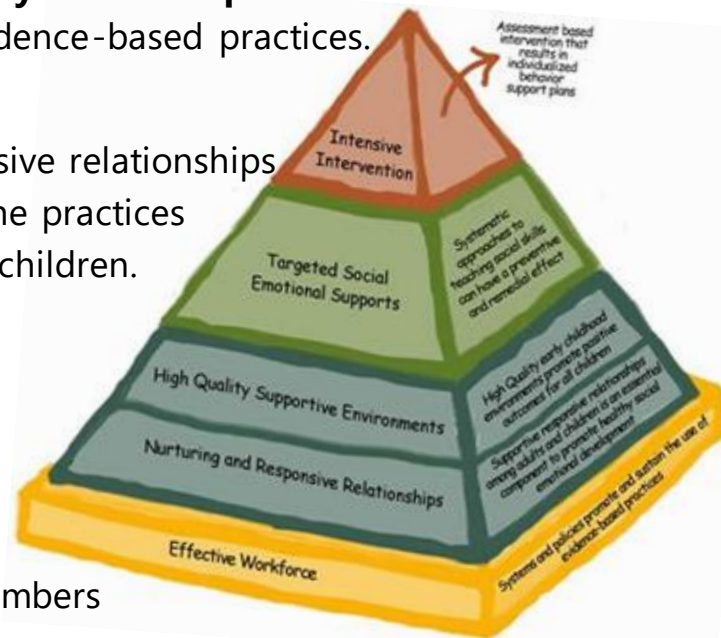

## Supporting the Pyramid Model

- The model is supported at the foundation by an effective workforce.
- The foundation for all of the practices in the Pyramid Model are the **systems and policies** necessary to ensure a workforce able to adopt and sustain these evidence-based practices.

### Tier 1: Universal Promotion

**Universal supports** for all children through nurturing and responsive relationships and high quality environments. At the universal level we include the practices needed to ensure the promotion of the social development of all children.

- High Quality Environments
  - Inclusive early care and education environments
  - Supportive home environments
- Nurturing and Responsive Relationships
  - Essential to healthy social development
  - Includes relationships with children, families and team members
